Thinks New York Will Draw a Prize. [SPECIAL TO THE WORLD.]
CANAJORARIE, N. Y., Jan. 16.—Ex-Senator Arkell, W. J. Arkell and Bernard Gillam, of Judge, and John E. Sleicher, of the Albany dournal, returned from Indianapolis this morning. They have been answering questions all day about their visit to Gen. Harrison.

We went to Indianapolis on the invitation of Gen. Harrison, 'the ex-Senator said, 'and had no other motive that to present to him a disinterested statement of the Republican situation in New York and speak in the interest of the solidity of the party. He discussed with great copionsness and clearness the New York situation, and left the impression that he had not only been elected President, but proposed to be President. That this State will receive recognition seems beyond doubt, but which portfolio it will be and to whom it will be tendered are questions for the future." Journal, returned from Indianapolis this morn-
